Click on **Arena Scheduling**, which is located on the left side of your screen, and select "2024-25". It will bring up the available summer classes. You should be able to view the courses that your student is eligible to sign up for. To learn more about each class, click the hyperlink that is embedded into the class title. It will tell you information about what time that class meets, the dates that class meets, and attendance requirements for that class as well. Please read the requirements closely, as each class has attendance requirements and some even have grade requirements! Find the course(s) you would like to schedule for summer school, and click the Add button located on the left side of the course on the main screen.

Prairie du Chien High School and 8th Grade are planning to use Edmentum to recover credits from failed courses. There are no sign ups available for those classes. We will notify families of students requested to attend summer school for credit recovery.
